Greetings from AGALYA and her family,

Dear & Respected: Mr. /Mrs. ZENKOVA PAVLINA.,

Wish you very Happy Easter. Risen Christ may grant bless of Peace, New Life and cheerful growth in all your life steps in abundant. The Victory over the Death of Jesus Christ may give new beautiful safe in every movement of our life. Everlasting happiness stands firmly in our life. I thank very much for your love and care.

The following marks were obtained by me in Half Yearly Exam, Tamil 65, English 75, Mathematics 66, Science 50, and Social Science 70 marks. This year I am in 3rd standard. The Annual Exam will start in APRIL, 2013. I didn't plan for my May Vacation, to do the part time work or attending the training class or take part in excursion. I write about it in my next letter.

The Power Cut continues still now. People suffer much because of the affect of the industry. The students can't study during the night time. March to May is the examination time. The 2 seasonal rains of South West and North East monsoon failure is the main reason for those problems. The water scarcity will occur in summer throughout Tamilnadu. In addition to this Petrol, Diesel, LPG Gas and Kerosene prices are hiked. Rain is the only sources. Keep the country with greens and pray to God for the happiness of the people.

May the Risen Christ lead us to peace, joy and New Life to all. Hearty Happy Easter wishes to all.

Yours Lovingly,

AGALYA.K.
