

# TOGETHER WE BUILD THE FUTURE OF OUR CHILDREN....

Greetings from CEEMA Erode, Tamil Nadu, India

All our children, staff and the management join in conveying warm Christmas greetings to you!!!!

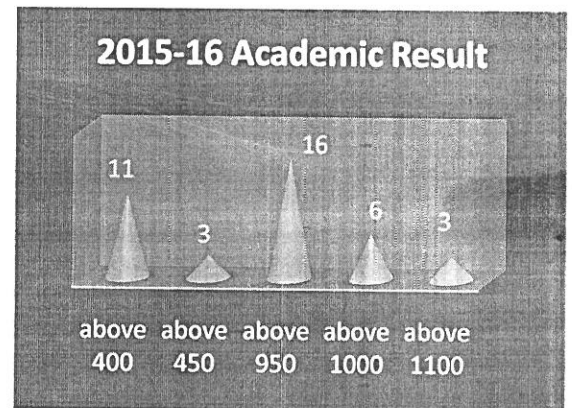

We are indeed happy to place on record that the Child Sponsorship Programme (CSP) is our major program, providing educational support to bright and underprivileged children to come up in their life. These children are from Erode, Karur, and Tiruppur Districts in Tamil Nadu. All of them are from economically poor families and many are orphans and semi-orphans. Some parents are HIV infected. With the generous support of our esteemed donors, people of Czech Republic, and Caritas, Prague, we presently support 190 students through this program.

The year 2016 has been a year of achievement for our children. 36 students appeared for 10<sup>th</sup> standard examinations and all of them had passed. Many of them scored good marks.

- ❖ John JodwinJefery - 466/500
- ❖ Mary Sofia - 458/500
- ❖ S.Rithanya - 455/500

Out of 41 students appeared for 12<sup>th</sup> standard examinations, 40 students passed.

- ❖ Soundar - 1150/1200
- ❖ Angel Bharathi - 1110/1200
- ❖ Tamil Devi - 1109/1250

Many of our students are highly talented in extra-curricular activities such as singing, dancing, drama, sports & games, and athletics. We are proud to be part of building the future of these children in this part of the world.

We are in touch with the CSP children and their parents periodically with a view to improve their overall performance, not only in studies but also in all other activities. The project coordinator meets the children and their parents at least six times a year apart from regularly contacting them over phone. Imparting life skills education is one of our major concerns and we use all gathering for such activities.
