Dear & Respected: Mr. /Mrs. ZDENKOVA PAVLINA.,
Greetings from AGALYA and her family,

Wish you Very Happy Christmas & Bright and Prosperous New Year to all. We are very happy in the season to convey the Hearty Wishes and Prayer to all of your needs. May the Infant Jesus provide you peace, joy and victory to all of your expectation on his Birthday and every step of your life throughout the year.

This year I am in 4th standard in Sengunthar Primary School at Erode. I obtained the following marks in quarterly exam; Tamil 49, English 45, Mathematics 60, Science 40, and Social Science 35.

The Children's Parliament was organized in my village. I am a member in it. They teach good citizen ship and habit. Rights and duties are explained. Sports Day was conducted in my school. I won the prize in the running race. I participated in the dance contest also. August 15th Independence Day was observed. Freedom fight and life of the leaders were screened. They are fine.

In this letter I want to share with my National Father, Gandhiji and his Freedom fight. He led the country and won the freedom from the British. Mahatma Gandhi is remembered in the world for four major virtues. They are non-violence, truth, love and fraternity. By applying these four virtues he brought freedom to India.

One day he confessed all these bad deeds before his father and vowed not to repeat them. Gandhi was much influenced by the character of the King Harischandra in the play entitled Raja Harischandra.

Gandhiji fought against this unjust and cruel treatment. He observed Satyagraha there and become successful.

During his struggle he applied no jealousy and violence against the rulers. Finally, he succeeded. The British Government granted Independence to India. He read the Gita, the Koran, the Holy Bible and all other scriptures. The saddest thing for us is that Gandhiji died an unnatural death. He was shot dead by an Indian on his way to attend a prayer on 30th January, 1948.

We may discuss with all matters in the next letters. Wish you all very **HAPPY AND MERY CHRISTMAS AND PROSPEROUS NEW YEAR.**

Thank you.

Yours lovingly,

AGALYA. K.
