PERIYA SEMUR.

Greetings from AKALYA and her family,

Dear & Respected: Mr/Mrs. ZDENKOVA PAVLINA. ,

In the Academic Year I am very happy that I am getting the education and kind support from you which help me to continue my study, for which my family and I pay hearty thanks and prayer for your generous assistance. You are bearing the burden of my family and coming to give the pleasure to every one of us. Thank so much for your valuable help and love. All are well here. I want to know your health and family.

This year I am in 4<sup>th</sup> standard, studying in Primary School at Erode. I go to school by auto.

We are living in Periya Semur, a place near Erode, 6 Kms., away in Western Side. Number of town buses and Mini buses are running along the way of my place. KANI RAVUTHAN KULAM is a big pond, on the way to my residential place. In rainy season it is full of water. In spite of failure of rain, there is no water now and some of the leading person encroaching lake and build houses. So the water shed area becomes short.

My uncle expired due to illness. I went to my Grandma's house and spent the days happily. There village festival held. I enjoyed the days with my friends and neighbors. In my leisure time I watched TV.

Thank you so much for your love and kind support. I assure that I will do my best of work and fulfill your expectation. We all pray for your happy and progress of life. Thank you.

Yours lovingly,

AKALYA. K.
